Have been waiting  
to get inspired to  
write you in letter  
if the inspiration  
is long coming it  
will be greater.  
We were sorry to  
lose Friday so soon.  
I think I should go  
to the store, but I  
can't. My best  
love to you. I will  
write you soon.  
Love  
M.
